PATENT APPLICATION NO. 10/578,078**

Mail Stop Petition
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

At this time, the undersigned attorney and all attorneys associated with Customer No. 24239 wish
to rescind or in the alternative request the dismissal or withdrawal of a previously filed petition.

Specifically, the petition that requires dismissal or withdrawal was filed on October 22, 2007, relating to a request for representation withdrawal under the provisions of 37 CFR §1.36 and 37 CFR §10.40. (Copy of the Electronic Receipt is enclosed in Appendix A)

Notably, the above-discussed petition was filed on October 22, 2007 because the owner of the above identified application, Neuland Laboratories Limited, was substantially in arrears regarding payment of both professional legal fees and USPTO fees. However, Neuland Laboratories Limited, as of this date of November 9, 2007 has forwarded full payment for all outstanding fees and further has requested that the undersigned attorney and all attorneys associated with Customer No. 24239 remain as their patent representative before the USPTO. (See email in Appendix A requesting continuation of representation)

As such, the undersigned attorney and all attorneys associated with Customer No. 24239 request that the previous filed petition be dismissed or withdrawn thereby allowing the undersigned attorney and all attorneys associated with Customer No. 24239 to continue to represent inventors and owners of the above-identified application.

Respectfully submitted,

MOORE & VAN ALLEN PLLC
